

PHASE 1 ARTWORK APPROVAL

The client approves the artwork gifts.

PHASE 5 CUTTING

Once unrolled, fabric is laid out and cut along a template or by machine.

PHASE 2 PRINTING

Sublimation inks are reverse-printed onto a transfer paper. (not fabric)

PHASE 6 SEWING

Each banner is sewn by a machinist.

PHASE 3 CHECKING PRINT

Once printed onto paper, artwork and quantities are counted and checked.

PHASE 7 PACK AND DESPATCH

All banners are cleaned, folded and re-counted. They are placed in their bags, put into boxes, weighed and labeled for dispatch. On average, we dispatch 5 tons per week.

PHASE 4 HEAT PRESS

The Transfer paper is placed against the fabric and pressed.
